

Haketilo - Feature #51

[Roadmap 10][Milestone] Support internationalization

07/11/2021 01:43 AM - jahoti

Status: New	Start date: 07/11/2021
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Description The WebExtensions standard includes a system for supporting translation of the extension UI: https://developer.mozilla.org/en-US/docs/Mozilla/Add-ons/WebExtensions/Internationalization . It would be prudent to implement this, even if we aren't (yet) providing any other languages. Roadmap	

History

#1 - 08/31/2021 11:24 PM - kozzko

- Priority changed from Low to Normal

#2 - 02/24/2022 01:08 PM - kozzko

- Description updated

- Subject changed from Support internationalization to [Roadmap 10][Milestone] Support internationalization

#3 - 02/24/2022 01:08 PM - kozzko

- Description updated
