Definitely wait. I added this issue in advance, it will only become relevant at some point

#3 - 09/03/2021 01:05 PM - koszko

- Blocked by Feature #87: Move Hydrilla to the new bags/pages schema added

#4 - 02/24/2022 01:07 PM - koszko

- Subject changed from Make Hachette use the same format as Hydrilla for import and export of settings to Make Haketilo use the same format as Hydrilla for import and export of settings

#5 - 10/13/2022 12:05 PM - koszko

- Status changed from New to In Progress

- % Done changed from 0 to 80

Haketilo 3.0 allows import of a zipped malcontent directory. Export functionality might be added in the future
